SUMMER BAND

Daily Times (Week 1 of August)

- 9am-9:30am: Attendance, Warm-ups, and Sectionals
- 9:30am-11am: Music Sectionals/Full Band
- 11am-12pm: Lunch on your own (HYDRATE & EAT)
- 12pm – 3pm: Music Rehearsal/Drill

Tips and Reminders to Prepare for Band Camp

- Eat a nutritious breakfast daily and HYDRATE. (This will prevent students from becoming lightheaded or passing out in the morning sessions. Water intake is crucial to a student's health during the long hours of band camp.)
Avoid high-sugar and carbonated drinks.
- Be aware of hot, humid, and rainy days—prepare in advance.
- WEAR SUNSCREEN when outdoors (Minimum SPF40) – even if you are not prone to sunburn.
- Tennis shoes with socks are required when outdoors; wear appropriate clothing—sports bras may not be worn as shirts and students may not practice shirtless.
