Kindergarten News

April 26, 2021

Parent Conferences: Please see the Parent Conference Sign-up paper "yellow" that is in today's Maroon Folder. Please return this as soon as possible. Let me know if you need a different date/time.

Family Picnic Lunch:

This Friday, April 30th, 11:15-12:15 at the football field

You are welcome to eat lunch with your child on this special day. You may bring your child a lunch or you may request a sack lunch from the cafeteria.

If you did not returned the paper concerning lunches for our Spring Family Picnic, I have included another copy in today's Maroon Folder. Please return it tomorrow, even if you are not able to attend. We need a count for the cafeteria.

*If you attend the family picnic this Friday, your child may leave with you. You will just need to sign them out. I will have a sign-out paper with me at the football field. We are excited about spending this time with our Shorthorn family.

Band Performances:

May 13th there will be an elementary band performance, PreK-4th grade! The performance will begin at 6:00pm and will be held in the auditorium.

On May 14th there will be an upper level elementary/high school band performance. This performance will also be at 6:00pm in the auditorium.

Mr. Hernandez asks that all students wear jeans and a maroon or white shirt.

The kindergarten students are very excited about this performance.

Your child is bringing home their Unit 8 Reading Writing Companion. This book may stay at home. Please remove it from his/her backpack.

Also included in your child's Maroon Folder are some of your child's writings. Please remember that your child is just beginning to learn the writing process. I am very proud of your child's progress. We have a lot of young authors in our classroom.

Hint - ask your child to read their writings, instead of trying to decode them yourself.
