Your child will need at
basket or bucket
for our hunt.

We will hunt eggs at the

Kindergarten News

March 22, 2021

I hope you and your family enjoyed Spring Break. I enjoyed being outside and getting my hands dirty.

There are only 47 days left in this school year! Wow!! Where did the time go? We still have a lot of material to cover. We will continue to learn new skills, until the very last day of school. Your child's attendance is very important. Let's finish strong!

With warmer weather and longer days, we all want to stay outside a little later. However, please make sure your child gets plenty of rest. By helping your child stay on a regular schedule and stressing the importance of reading homework, you are setting a routine that will be carried over from year-to-year.

New Sight Words are on the back of this Newsletter. I have added the ing word family and the following high frequency words: then, when, & or.

Box Building Reminder: Our box town is coming together nicely. If your child has not brought their box building to school, please send it tomorrow. These buildings will be sent home this Friday.

Zoo Trip

We will be visiting the Abilene Zoo with our Pre-K friends on Wednesday, March 31. We will leave after breakfast (around 8:30) and hope to arrive at the zoo (around 9:40). After the zoo we will enjoy our lunch and play at the park that is close to the zoo. We will arrive back at school for our 3:30 dismissal time.

Since we were unable to have a Fall Festival this year, we did not raise any money to help with the cost of student's admission to the zoo. Please send \$5.00 to school by this Friday, March 26.

Each child will need to bring a lunch with 2 drinks. The drinks need to have lids that close. Please, no box, pouch or can drinks. If possible, please let your child wear a maroon shirt.

Parents are welcome to join us at any point during the day. If you want your child to ride home with you, you will need to sign him/her out on a "sign-out" paper that I will have with me that day.
