

Kindergarten Newsletter

September 21, 2020

Special points of Interest:

- **Sept. 25**
Honor Roll Pep Rally
- **Oct. 12**
Student Holiday
- **Oct. 23**
Student and Teacher

This Friday, Sept. 25 at the football field beginning at 8:20 am. will be our first Elementary Honor Roll Pep rally. Parents are welcome to come watch, but need to social distance in the stands and please wear a mask. Kindergarten students will mainly cheer for our older elementary friends. However, each class including "K" will have one student that will receive a special Bronte Shorthorn Award.

I enjoyed our parent conferences last week. It was so different to have conferences on the phone or zoom. However, it was great to spend a little time with you talking about your children.

If we were not able to meet last week, just let me know when you would like to reschedule.

***Lexia:** We have worked out all the kinks for Lexia in our classroom. Lexia is a great program, I encourage you to also use it at home. I am so proud of those students, and parents, that are using Lexia for extra practice.

***IXL:** Now that Lexia is going strong, we are going to start IXL. I am sending information in today's Maroon folder that you will need in setting up this website on your child's device. IXL will be used mainly for Math, but I might also select some Language activities too.

Your child's Usernames and Passwords are long, however once they have been entered on the device, they may be saved.

Both Lexia and IXL allow me to see your child's progress, areas of concerns and the time spent on the program.

***Seesaw:** Just a reminder, each Monday I will send a Seesaw Activity for your child to do at home. This activity will be fun and will not take a lot of time.

Reminders: The above programs; Lexia, IXL and Seesaw will be used if our school has to move to Online learning or if individual families have to be quarantined due to COVID 19.

By helping your child stay familiar with these programs at home, they will be prepared for online learning, if needed.
