With last two weeks being only four school days each, I was not able to finish our Middle-of-the-Year benchmarks. I will try my best to finish this week and have the results in next Monday's Maroon Folder.

100th Day of Kindergarten

Monday, Feb.3rd

Below are some of the ways we will celebrate this special day!

- We will read a lot of books about "100" during the next few weeks.
- Students may bringing 100 small items to school. You will find more information about this in the baggie that was sent home today.
- We will count, write, and sort different items in our classroom. If your child is not able to count to 100, please help them practice at home.
- We hope to take our lunch to the football field to play and eat. If the weather is too cold or windy, we will eat our lunch in our classroom, picnic style. Each child will need to bring their lunch and one large drink (with a pull-up or twist type lid) on Feb. 3rd. **This exciting day is on a Monday, so we all will have to remember to send a lunch on this day!! If you would like for your child to have a sack lunch from the cafeteria, please fill out the slip and return it tomorrow.**

Stephen's Ocean Adventure Concert - Tuesday, March 31, 2020

Pre-K and Kindergarten students will be going on an exciting spring filed trip on March 31. This concert will be in Abilene. I am not sure of the exact time it will start, but it is a morning concert. **All students will need to pay \$5.00 for their ticket. If you would like to enjoy this concert with us you will need to send \$7.00 to school by February 18.** Once the tickets are paid for, they are NON-REFUNDABLE.

After the concert we will go to a park in Abilene to eat lunch and play.

*I will send more details at a later time.
