I know the days are cooler, but we have a lot of kindergarten students that are thirsty, especially after PE.

Please send a water bottle to school!!!!

Our visit with Bronte Volunteer Fire Fighters was great last Friday. We are blessed to live in a community that has so many volunteers that help us all. Please let the volunteers of the Bronte Fire Department know how much they are appreciated.

Our new sight words are on the back of this Newsletter.

Please see information about Red Ribbon Dress-up Days that is included in the Maroon Folder.
