I can hardly believe that it is the beginning of the second six weeks of school. Hold on to your hats! The Holidays will be here before we know it!

During this busy, but oh-so-exciting, month of October we will be learning about; fire prevention/safety, drug awareness and of course all things FALL (Halloween, bats, spiders, leaves and changes in the weather).

- We will visit the Bronte Volunteer fire station Friday, Oct. 25.
- Our school will have a Fall Festival on Tuesday, October 29. Next week I will have all the details concerning our Fall Festival.
- I know it seems early to be making Halloween plans, but some of you may be thinking about purchasing costumes, so here we go. We will have our annual Spook Walk on Thursday, October 31.

Students may bring their Halloween costumes to school in their backpacks on this day. On this day, after lunch, (I will let you know the exact time at a later date) we will dress-up and trick-or-treat through our school and the downtown area. **We will be walking a lot! Please make sure that your child's costume and shoes are comfortable. Children need to be able to put on their costume by themselves. They also need to be able to see where they are walking, therefore masks should not cover their eyes. No face paint is allowed at school.**

You do not have to spend a lot of money on your child's costume. A cowboy hat and boots or a cheerleading suit are fine and are comfortable. Students also need to bring something to hold their treats (pumpkin/bucket/bag). After our Spook Walk we will come back to our room for our Halloween party.

If you are interested in helping with our Halloween party, please meet with me on **Tuesday, Oct. 15** at 3:40 p.m. Since the Halloween party will be after our long Spook Walk, I try to keep this party quick and easy!
