Elementary Principal

Ginger Robbins
Secondary Principal

Vision: The vision of the Bronte ISD School Health Advisory Council is for all children to develop skills and knowledge to help them lead a healthy, productive life.

Mission: The mission of the Bronte ISD School Health Advisory Council is to provide help and support to students so that they can make safe and healthy decisions for a lifetime.

SHAC Meeting Minutes BHS Library

**April 15, 2026
3:45 pm**

Members Present Morgan Runyan Janet Wommack Jessica Riddle
Megan Webb Ginger Robbins

Guest Present Jennifer Englert

The meeting was called to order at 3:53pm

Agenda

I. Nutrition: Food Services update presented by Ginger Robbins
DeAnn Lee provided documentation on food service costs. From November to April, food costs are \$47,579.30. Currently, all students are able to eat breakfast and lunch free of charge.

II. Counseling Report given by Jessica Riddle

She told the committee that she has ALMOST met with every single student here at Bronte this spring. On the High School Side, she has met with and advised all students. With that, we are working to create new partnerships for our Dual Credit and CTE classes with Howard, West Texas A&M, and Possible West Texas College. Which is very exciting.

On the Elementary Side and High School she has been wrapping up collecting data from her End of Year Survey. When she is done, she will compare our Beginning of Year Data and see how much we have grown in our Social Emotional Skills. She will then put these results in Our CREST Counselors Reinforcing Excellence in the State Of Texas Application.

On May 6th, we will have Shannon Rivercrest join us for our first ever Mental Health Awareness Day. During the Junior High and High School Lunch time, Shannon Rivercrest and I will have activities such as bracelet making and Rock Painting. Students will be encouraged to learn more about this mental health resource and spend time doing a fun activity with her.

III. Safety and Security

Playground update presented by Jennifer Englert. She shared pictures of the proposed playground, as well as the quotes to tear down our existing playground and stall the new one. The latest cost estimate for the proposed playground is approximately \$212,500. This playground will be covered so that students may enjoy it during the hottest days and even after a rain. We anticipate the playground to be installed over the summer.

IV. New Business: none

The meeting was adjourned at 4:30pm.
